

## **REMARKS**

Claims 1 to 20 were allowed. Applicant has amended claims 2, 5, 6, 9, 10, 14, and 17 to 19 to correct typographical errors and to clarify the claim language. In particular, claims 9, 14, and 19 have been amended to clarify that the minimum color matching error is set equal to the smallest color matching error when the smallest color matching error is less than the minimum color matching error, which is supported by the Specification, paragraph [0032]. Should the Examiner have any questions, please call the undersigned at (408) 382-0480 x206.

Respectfully submitted,

/David C Hsia/
